The official World Thinking Day Card

Designed around the Connect theme, please feel free to share the official World Thinking Day card with friends, connections and members around the world this World Thinking Day. All we ask is that you don't modify the card for your own use; we are one Movement wishing one another a happy World Thinking Day.

The message below is from the WAGGGS World Board to Girl Guides and Girl Scouts around the world on this special day. We'd love to see it translated into local languages, and reaching lots of our Girl Guiding and Girl Scouting family!

Dear Girl Guides and Girl Scouts

On behalf of everyone at the World Association of Girl Guides and Girl Scouts, we would like to wish you a happy World Thinking Day 2016. In 1926, the 7th World Conference chose the birthday of Lord and Lady Baden-Powell to celebrate our Movement, global Girl Guiding and Girl Scouting. 90 years later we are proud to continue this tradition and show our support for our fellow members, our friends and our family around the world. The theme this year is 'Connect', and we hope that you will take this opportunity to really explore the connections in your life; connecting with yourself, your friends, WAGGGS and the world. It is a time to remember that we are all connected not only as friends, Girl Guides or Girl Scouts, but as human beings; that we are all global citizens. Our mission at WAGGGS is to encourage and foster these global connections, and to ensure that each and every girl is able to achieve her fullest potential and become a true agent of change. However you choose to spend this day, please be sure to share your activities, your ideas and your experiences with our 10 million members in 146 countries on Facebook, Twitter or Tumblr using #Connect10Million.

We wish you all the best for 2016 and look forward to celebrating World Thinking Day together.

*Best wishes,
the WAGGGS World Board*
